

ADMISSION AGREEMENT

I, _____ (Parent or Legal Guardian) agree to enroll my child,
_____ (Name of Child) in the Trust Children's Center. I have been informed of the policies and procedures of
the center and I agree to comply with them.

Trust Children's Center will provide care and supervision for my child, that is between the age of 6 weeks-TK/ Kindergarten Eligible

1. The Trust Children's Center is open from 8:00 a.m. to 5:00 p.m., Monday through Friday, with the exception of center holidays and staff training days.
2. The parent is required to bring a change of clothing to be kept at the center at all times.

The parent is required to purchase a tot-cot bedding. Tot-cots are laundered weekly or more often if soiled on site.

The parent of infant age children is required to provide all meals and snacks for their child daily. Preschool age (and infants over the age of one year old) will be provided a morning snack once a week on Tuesday and afternoon snack each day. Parents of preschool age children are required to provide a healthy and nutritious lunch each day. Lunch will be prepared and dropped off at sign in time each morning. Meals that are brought in later in the day become disruptive and difficult for the child and teacher. Any special food required for the child is to be provided by the parent as well. Lunch meals should be prepared ready to be eaten. We do not have the staffing and equipment to heat up several lunches each day.

3. Tuition is due on the first of each month.
A \$50 late fee will be charged for tuition paid after the 15th of the month.
 - a. There will be a \$15 service charge on any returned check.
 - b. Accounts that are delinquent forty five (45) days will be suspended. The child will not be permitted to attend the Children's Center program until payment is made. If the account is not paid in full, the child's space will be given away.
 - c. Should an account be sent to collection, the parent agrees to pay any fees the center would incur.
 - d. In the event of withdrawal, any balance left in the child's account, minus the 30 day written notice (see below), will be refunded to the parents.
4. Late Pick Up:
First 5 Minutes= \$5
6 to 10 Minutes= \$10
11 to 15 Minutes =\$15
After 15 Minutes =\$25

5. If you choose to withdraw your child from the center, there is a 30-day written notice required with your tuition payment made through those remaining 30 days.
6. I understand that a sick child may not attend the center. Absolutely no exceptions will be made. Symptoms that may constitute a child staying home may include, but are not limited to, fever, vomiting or diarrhea in the past 48 hours, yellow or green mucus, continuous cough, complaint of an earache or headache. The morning staff will be conducting health checks for your child's safety and well-being.
7. I agree to sign a Medical Consent Form issued by the Public Health Agency.
8. I understand that I may visit the center, with or without notice, at any time during regular Center hours. If my visits become disruptive or difficult for my child a visiting plan will be discussed with the Director.
9. I understand that the Licensing Agency (Community Care Licensing) personnel have the right to inspect, audit and copy all child records, as well as observe, and/or interview my child when conducting state inspections, announced or unannounced.

I have received a copy of the Trust Children's Center Parent Handbook and I understand the following policies:

Licensing Policy Highlights

- All bottles must come fully prepared and labeled (name and date), each day. Legally we cannot prepare any bottles. Bottles will be stored in the fridge, and warmed when needed.

- Lunch must be fully prepared, cut up and ready to eat. Be sure to put an ice pack in your child's lunch box. We cannot heat up lunches. There are too many lunches happening at the same time to be able to heat food. Please be sure to send food that your child is willing to eat cold.

- A morning and afternoon snack will be provided by TCC each day. Please note that morning (9:00am) snack is meant to be a snack, not a meal. Be sure your child has eaten an adequate breakfast before arriving at TCC.

- All your child's items must fit in their cubby. Ex: a canvas bag with two changes of clothes and a spare jacket is sufficient. Their lunch and papers will also need to fit in the cubby each day. We cannot store anything more than what I've mentioned; due to space limitation.

- Please be sure to sign your child in and out each day. This is a legal requirement and also helps us to keep track of billing, etc. Each child may not exceed a 9 hour day.

- Please be sure to have your child fully dressed for their day; adequate clothes and shoes for the weather. Infants under one year old may wear pajama type one piece outfits; otherwise pajamas would only be allowed on designated "pajama days".

- Please be aware that afternoons (12:30pm-2:30pm) are a "quiet zone" at TCC. Most children are napping at this time.

- Children are not permitted to sleep in strollers or car seats, at any age and for any reason. This is a very important licensing restriction.

Trust Children's Center Child Care Enrollment Agreement for "community" spots:

I agree that I am enrolling my child in an early care and education center that was originated to serve the purpose of an employer sponsored early care and education benefit program. I understand that I am not part of such program, and it is considered that my child is enrolled in an available "community" spot. If all spots are full and there is a need for an available spot to be freed up for a child of an employee that is part of our contracted employer sponsored early care and education benefits program, I understand that I will be given a minimum of 90 days to find other child care arrangements. Trust Children's Center understands the importance of consistent care for children. We will always do our best to schedule appropriately to avoid such situations.

However, it is the agreement of any companies that have chosen to be a contracted member of the benefit program, that their employees will have priority.

I understand and agree to this arrangement.

DID YOU KNOW?

Babies and young children **need to hear plenty of language** for brain development.

80% of a child's brain growth is complete by age 3, and most of that time is spent with their families.

The more experience young children have with language, **the more their brains will grow.**

Children who are talked to and read to by their families when they are young do better in school, read better, graduate more often and are more likely to be employed as adults.

PARENT TIPS FOR BOOK SHARING

Talk to your child. Listen to your child:

- Encourage your child to tell you stories and ask questions
- Share nursery rhymes, sing songs

Share books with your child:

- Snuggle up and get close
- Ask questions
- Talk about the pictures and new words
- Share the book repeatedly
- Let your child take the lead

Remember It Is Okay.

- To read only part of the book
- If you don't read well
- If you have an accent or don't speak English, you can read in your home language
- If your child wants to hold the book and read it to you
- If you only talk about the pictures

Dear Parents,

We are excited to let you know that your child's classroom will be participating in the Raising A Reader (RAR) program! Since 1999, RAR is a national nonprofit organization that has helped families successfully build and sustain literacy routines in their homes. RAR's mission is to engage parents and caregivers in a routine of book sharing with their children from birth through age eight to foster healthy brain development, healthy family relationships, a love of reading, and the literacy skills that are critical for school success.

How Does the Raising A Reader Program Work?

Your child will be sent home with a bright red RAR bag filled with four (4) age appropriate, high-quality, and engaging picture books. The red book bags with the books inside of them will get rotated on a weekly basis. Parents/caregivers will be provided with the necessary support, training, strategies, and tools to effectively share books with their children. Families will also be connected with their local public and school libraries. At the end of the program, children will receive a blue library book bag to keep so that they can continue the practice of borrowing books and build a lifelong habit of reading.

Parents Play a KEY Role in Raising A Reader!

If you are like most parents, you want your child to be well prepared for success in school. You know that learning to read is one of the most important skills that your child will need to succeed. What you may not know is how important, but easy, your role is. You don't need fancy toys or expensive computer games. Your mind, your voice, your ideas, your time, and your love are what your children need to reach their potential. Check out the sidebar on the left for some tips about how you can begin the amazing and transformative experience of sharing books with your child.

Raising A Reader Family Agreement

Dear Parents,

We are pleased to invite you to participate in the Raising A Reader (RAR) book bag lending program. Please review the following information about the responsibilities of being a Raising A Reader family. We hope you will participate in this great opportunity and fall in love with sharing books with your child every day.

- There is no cost to participate in Raising A Reader and families are not charged for lost or damaged books. However, we want the books to last 5 to 7 years.
- The books and red book bags belong to the program. It is my family responsibility to return the books and bags weekly so that they can be circulated to other children and families.

Please check the following:

- ☐ I will watch the Read Aloud parent video and shared it with other adults or teens that provide care for my child.
- ☐ I will take good care of the books and bags. They teach my children responsibility.
- ☐ I will return the books and bags if I am moving, taking my child out of the program or decide to no longer participate.
- ☐ By participating in Raising A Reader, I will make every effort to share the books with my child and establish a regular routine for reading.

I agree to the terms listed above and would like my family to take part in Raising A Reader.
